

# NORDIC & DANISH LEAD CHAMPIONSHIPS

24. NOVEMBER 2018 IN AARHUS KLATREKLUB

AARHUS KLATREKLUB

## Dear participants for the Danish and Nordic Lead Championships (Junior A+B and seniors).

As a non-commercial club we have been working for quite a long time to make the best of this event. That being with 99% voluntary power. Below we have collected some info which we hope you will find helpful.

### 1 event 2 areas

Hosting such big an event is challenging for a club our size and we have therefore created multiple areas for the event (please check the maps enclosed).

At *The competition venue* (our club) you will find:

- |                          |                  |   |                       |
|--------------------------|------------------|---|-----------------------|
| - Athletes sign-in       | - Changing rooms | - | 2 toilets             |
| - Warm-up/isolation area | - Café           |   | - Small chillout area |
| - Competition walls      |                  |   |                       |

At the *Food & chillout area* (100 meters from the club) you will find:

- Cafeteria with shawarma, falafels and more (opening hours: 10-?).
- Big chillout area for athletes and spectators alike (hopefully with livestreaming).
- Dedicated chillout area for volunteers (1<sup>st</sup> floor)
- 2 toilets

If you feel like staying a bit longer or maybe eat after the event the *Food & chillout area* (cafeteria included) will be open if needed.

You are of course welcome to bring your own food, but please understand that we are ONLY able to cover the expenses for this kind of event if you support us.

Please note that the *Food & chillout area* is the ONLY place you can pay cash (DKK) since we in general only accept the below options.

### Can I only have one go?

We understand that many of you have had a long journey to take part in this one-day event and know the eagerness to give a route a couple of shots more. Therefore, all athletes are more than welcome to return to *The competition venue* on the 25<sup>th</sup> of November from 9am, for the price of 25 DKK/person.

Here is a map of the area
